

*DEAR STUDENTS in the 4th year,
 delivering the projects to members of
 the Department of Reinforced Concrete Structures,
 will be done according to the following schedule:*

<i>Teacher</i>	<i>DATE</i>
<i>Ș.I.dr.ing. Andrei Papurcu (FCCIA+FILS)</i> Cod Microsoft Teams: d9ixmnu	<i>Tuesday, May 12, 2020, between 10-12</i>
	<i>Thursday, May 21, 2020, between 10-12</i>
<i>Ș.I.dr.ing. Florin Pavel (FILS)</i> Cod Microsoft Teams: 98sw21w	<i>Tuesday, May 12, 2020, between 10-12</i>
	<i>Thursday, May 21, 2020, between 10-12</i>

Students must join the team of the teacher to which they must deliver the project by accessing the option "Join or create team" (in the upper right corner) and then "Join a team with a code" (enter the code Microsoft Teams related to that teacher).

Then, students must upload the project in PDF format in the "Assignments" tab under the topic "Project RCS2 (IVth year, sem.1)".

The project will be uploaded as a single PDF file named as in the example: "**Smith.John_proiect RCS1.pdf**". (RCS1-"Reinforced Concrete Structures I"-year III,sem.2).

!!! Students who do not yet have an institutional email address will request its creation by sending an email with personal data (First name LAST NAME, faculty, specialization, year of study, group) to Mr. vice-rector Cezar Vlăduț (cezar.vladut@utcb.ro or 0740.769.306) !!!

Director DRCS,
 Ș.I.dr.ing. Eugen Lozincă
